

Cara Ganti Password

Cara Ganti Password

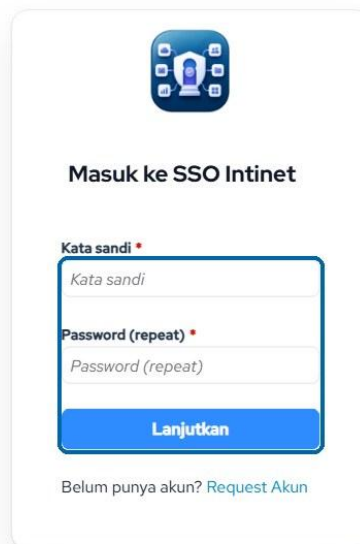

Gunakan panduan ini saat Anda masih bisa login ke SSO dan ingin mengganti password sendiri.

Langkah Ganti Password

1. Buka `https://sso.inti.net.id`.
2. Login dengan email dan password saat ini.
3. Klik tombol **Setting** di kanan atas.
4. Pada halaman **User details**, cari bagian **Change your password**.
5. Klik **Change password**.

The screenshot shows the INTiNet user management interface. On the left is a sidebar with a menu: User details (selected), Sessions, Consent, MFA Devices, Connected services, and Tokens and App passwords. The main content area is titled 'Update details' and contains four fields: Username (user@inti.net.id), Name (Nama Pengguna), Email (user@inti.net.id), and Locale (Bahasa Indonesia). Below these fields is a blue 'Save' button. At the bottom of the main content area, there is a section titled 'Change your password' with a blue 'Change password' button. The top right of the interface features a notification bell icon, a 'Setting' button, a 'Logout' button, and a user profile icon labeled 'U'.

6. Masukkan password baru.
7. Ulangi password baru pada kolom konfirmasi.
8. Klik **Lanjutkan**.

The image shows a login form for SSO Intinet. At the top is a blue icon with a house and a person. Below it is the title "Masuk ke SSO Intinet". The form contains two input fields: "Kata sandi" (Password) and "Password (repeat)". Both fields have placeholder text "Kata sandi" and "Password (repeat)" respectively. Below the fields is a blue button labeled "Lanjutkan". At the bottom of the form is a link "Belum punya akun? Request Akun".

Saran Password

- Gunakan password yang sulit ditebak.
- Jangan memakai password yang sama dengan layanan pribadi.
- Jangan membagikan password ke siapa pun, termasuk lewat chat.

Setelah Berhasil

Gunakan password baru saat login ke SSO dan aplikasi yang memakai akun SSO.
